

§ 145.4061-1

26 CFR Ch. I (4-1-04 Edition)

§ 145.4052-1 of the temporary regulations contained in 26 CFR part 145 revised as of April 1, 1983, (the “prior regulations”) and it was so treated by the parties, a subsequent sale or lease that was or would have been treated as the first retail sale of the article under the prior regulations will be treated as a taxable sale for purposes of this section. The tax on such subsequent sale will be based on a price determined under paragraph (d) of this section. For example, if an article was sold to a purchaser who intended to lease such article long-term, the sale would not have been taxable under the prior regulations even though the seller did not receive a certificate of the purchaser’s intent to lease the vehicle. If such a sale was treated as nontaxable by the parties, and the purchaser leases it long-term on or after October 1, 1987, the lease will be treated as a taxable sale of the article. The tax is to be computed under paragraph (b)(3)(ii) of this section and the price will be computed under paragraph (d)(5).

(3) *Certain sales made after November 11, 1985, and before October 1, 1987*—(i) *Sales not treated as taxable by purchaser and seller.* If a sale to a purchaser after November 11, 1985, and before October 1, 1987, was not treated as taxable by the parties, a subsequent sale or lease that was or would have been treated as the first retail sale of the article under the temporary regulations published in the September 13, 1985, issue of the FEDERAL REGISTER (50 FR 37350) (“the interim regulations”) will be treated as a taxable sale for purposes of this section. The tax on a sale or lease after September 30, 1987, will be based on a price determined under paragraph (d) of this section. For example, if a vehicle was sold on January 3, 1987, to a purchaser who intended to resell the article and who was not in the business of leasing to any extent, the sale would not have been taxable under the interim regulations even though the seller did not receive a certificate indicating the purchaser’s intent to resell the article. If such a sale was not treated as a taxable sale by the parties, and the purchaser resells the article, the resale will be treated as a taxable sale of the article under paragraph (a)(2) of this section.

(ii) *Sales treated as first retail sale by purchaser and seller.* If the sale of an article after November 11, 1985, and before October 1, 1987, was treated as a taxable sale by the parties and tax was paid with respect to the article under the interim regulations, the subsequent sale of the article by the purchaser will not be treated as a taxable sale under paragraph (a)(2) of this section.

For purposes of section 4061, gross vehicle weight shall be determined under § 48.4061(a)-1(f)(3) (i) through (iv) for sales made on or after January 7, 1983, and before April 1, 1983.
